Summary

- * Mr. Durcho is a graduate of Indiana University of Pennsylvania. After graduating, he worked for Liberty Mutual Insurance Company for 18 years in positions throughout the country. He has held claims positions of adjuster, supervisor, home office examiner and director of technical claims.

In 1995, Mr. Durcho joined Sedgwick James as a claim consultant spending most of his time on site with Bank of America's risk management department providing consulting services to the legal and the risk management departments. He also provided oversight consulting services to the general liability TPA programs of Bank of America.

In 1997, Mr. Durcho joined Galaher Settlements as an assistant vice president and has provided structured settlement services to the national and local clients. He has lectured nationally on the Medicare Set Aside issue to claims associations, bar associations and individual clients. Mr. Durcho uses innovative creative ideas and products such as Medicare Set Aside Agreements, Pooled Trusts, Custodial Accounts and Special Needs Trusts to assist his clients in bringing difficult claims to a conclusion.

Mr. Durcho is a member of the National Structured Settlements Trade Association ("NSSTA"), the Northwest Longshore Association and holds life agent licenses in 25 states. Mr. Durcho has resolved claims with the use of structured settlements in 31 different states.
